

70'S DANCE EXPLOSION

Are you ready to witness dance as you have never witnessed before? After a sell-out national tour, 70's Dance Explosion is back by popular demand.

70's Dance Explosion is a brand new show which fuses Dance with some of the most famous Rock Songs ever recorded. Starring star of Channel 10's I WILL SURVIVE Song and Dance man Davin Griffiths-Jones and featuring some of Australia's best dancers and singers.

THE MUSIC

70's Dance Explosion will take you through a variety of rock musical styles and sounds. Starting with the the rock gods QUEEN! Followed by the classics of ROD STEWART. The 1st half concludes with the one and only THE BEATLES with hits such us Yesterday, I Wanna Hold Your Hand and Blackbird.

The 2nd Half opens with THE WHO and the favourite Pinball Wizard followed by groups such as BOOMTOWN RATS, BLONDIE and MOODY BLUES. Before our Finale we pay tribute to the Rock Queen Ms TINA TURNER with Proud Mary, Private Dancer and Nutbush City Limits, To close our show we could not go past KISS! Hold on to your hats, as it's going to be one awesome conclusion to the show with I Was Made for Lovin You and I Wanna Rock and Roll All Night!

70's Dance Explosion has something musically for everyone!

THE DANCING

Featuring some of Australia's best dancers, you will be blown away by their technical ability, energy and stage presence! With some of the most original choreography staged and performed to perfection by our talented dancers.

Performing in the show will be Classical Ballerina's mixing in with our Jazz/Hip Hop and Tap Dancers, an amazing collaboration between the two.

70's Dance Explosion has set a precedent! Together with the music, the dancing steals the show! With over 1000 costume pieces, 70's Dance Explosion is visually stunning!

THE SINGING

With Live vocals by 2 time Mo Award and ACE Award Nominee Davin Griffiths-Jones the show + 2 world class female vocalists.

Mixing Dance and Live Vocals to the Hits of the 70's s something new, unique and just plain FANTASTIC!! 70's Dance Explosion is here!!
